

Donate Now News

1. We have added the name individual or company and contact who gave the donation or made a transaction in both the Thank you message printed upon submission and the Emailed Confirmation.
2. We have addressed the issue of no capital letters at the start of names, cities and addresses.
 - a. Please not PO Box when entered po box will show as Po Box so some fixes will still be needed but not as many as before.
 - b. jasper avenue nw will correct to Jasper Avenue Nw ...
3. The question asking if they would like more information is now required and will be either Yes or No ... leading to More Info or No Thank You in the Quality field upon import.

4. We have added a Registration with a payment and a Registration with no payment or administration amount. There is a new code in Campaign Type category. For a Registration with no payment you need to add **No Fee** to the Payment Methods in the Lookup Table in @EASE.

5. We have modified the Sponsor: category to enable an On-line Payment for clients who have auctions. On-line Payment uses the Campaign Type of Sponsor.
